## 2022 Calendar for FIM Touristic Gatherings

Dear Sir or Madam,

After two very difficult years, Touring events must recover their role and spread hope and smiles among the riders!

We kindly require Federations to invite organizers to produce and send new requests, according to their new schedules using the enclosed forms regarding the request to organize FIM Touring events, category 1, 2 or 3 for 2022 and further.

Proposals for FIM Classic Touristic gatherings, for the years to come, are welcome and can be sent now. We also need to receive all the candidatures for the organization of the Touring events for categories 2 and 3:

- World Touring Challenge (for 2022);
- Touring International events (for 2022);
- Adventure Touring (for 2022); and
- Vintage (for 2022)

Finally, we would like to remind you that all sections of the forms shall be filled in, stamped and signed. We would suggest that alternative dates may be indicated for these requests. They will be examined by the CTL in 2021 which will propose a provisional calendar for 2022 to the FIM BD.

You are invited to submit your requests (mail to: [ctl@fim.ch](mailto:ctl@fim.ch)), preferably before end of September 2021.

Thank you for your attention and Ride Safe  
Best Regards.
